## *Unique Mountain Chalet!*

Tall firs frame the homesite of this Mountain Chalet on 12+ acres. The southern exposure offers great solar energy and fantastic views – it's like "living in a postcard"!

Generous floorplan in main house offers 2 bdrm, 2 bath, utility rooms, storage, solar warmed sunroom plus great room with custom kitchen, woodstove in living area and view dining by window wall. Jenn-aire range, one of a kind spice cabinet & natural wood cabinets plus views for the chef make a special kitchen. An open tiled patio and covered deck invite entry & enhance outdoor living. Unique living space with opportunity for imagination.

Adjoining apartment can be ideal for family, guest or rental. Open living~kitchen w/woodstove has private entrance and direct access to double garage. Space offers 2 bdrm 2 bath: one bdrm/bath downstairs & one upstairs. Privacy with comfort.

Numerous outbuildings provide more usability and storage. Attached carport has concrete floor and storage room at end. Separate woodshed nearby home, small storage building and a playhouse on stilts offering excitement for kids. Across the homesite the workshop has lots of natural light, accessed from small deck.

Homesite is abound with fruit trees, garden & flower areas created by the owner accessed by trails winding beside and below the home. South facing location provides an excellent growing space for flowers, vegetables, berries and owner has done all!

Property is sited on hillside to overlook valley and highway for a year-round view of life below!! Home is accessed from LeRoy County Road to private gravel Long & Winding Road.
